MANAGEMENT DISCUSSION AND ANALYSIS

Your Company is engaged in the manufacture of Cold Rolled Stainless Steel Strips and Stainless Steel Tubes & Pipes. From manufacturing process involved, it may be classified as a stainless steel strips, tubes and pipes manufacturer. The Indian steel industry has made a rapid progress on strong fundamentals over the recent few years. The industry is getting all essential ingredients required for dynamic growth. The government is backing the industry through favorable industrial reforms. Indian steel demand is expected to boost by Infrastructure & Construction development sustained by industrial, manufacturing and capital goods and be stimulated by the automotive, railways and consumer durable sectors.

Your Company has 2 Nos. of 6 Hi-Cold Rolling Mills, 3 Nos. of 4 Hi-Cold Rolling Mills and 4 Tubes Mills. Thus, your Company has immense capability to keep pace with the growing requirement of the industry. Besides, we always look forward to cope with technology advancement to grasp the all available opportunities.

- India is ending FY21 with a total steel consumption of around 95-97 million tonnes of steel which is nearly 5 percent lower than the previous year.
- In FY22 the budget has announced a capital investment target of Rs 5.4 lakh crores that is more than a 34 percent increase compared to BE FY21.
- The Global demand for steel had been projected by WSA in October'20 to be growing at 4.1 percent in 2021.

The country is ending FY21 with a total steel consumption of around 95-97 million tonnes of steel which is nearly 5 percent lower than the previous year. Apart from construction and infra sectors (68 percent share), engineering goods and fabrication comprises around 20 percent share of steel use, while automobile and packaging have shares of 9 and 3 percent respectively of total steel demand. The demand from the C&I sector is slated to go up substantially with more investment in Infra, stability in the real estate sector, FERA amendment etc, the demand from the Auto and Auto component sector may witness a consolidation stage in FY22 with the thrust towards EV, Petrol and diesel price hike and export opportunities.

The incoming public investment along with enhancement of FDI limits (from 49 percent to 74 percent in Defence, 100 percent in retail and real estate) has generated a good feeling in the commodity sector, steel being the significant beneficiary, and an enabling environment for infrastructure growth. As nearly 68 percent of steel goes for building, construction and infra sectors, it is imperative that the amount earmarked must be spent during the year.

The catastrophic year 2020 after creating one of the greatest challenges of the century came to an end reversing the hopelessness with lots of positivity. The feel-good period, however, appears short-lived as the second wave of the pandemic spread most parts of the country which hampered the economic activities once again. Speed in vaccination covering the vulnerable sections, while maintaining all possible mandatory precautions against the disease remains the only solution left to fight the menace.

India's GDP contracts 7.3% in FY21

The Indian steel industry like its global counterparts belongs to one of those core industries that along with cement, renewable energy, coal and petro-chemicals is looking forward for a steady growth in 2021 onwards. In this context, the short range outlook for steel by WSA indicates a 6.1% growth of global steel demand at

1,874 MT, with china topping the list as usual with a predicted level of 1024.9 MT of steel consumption (54.6% share of global demand), at 3.0% growth over 2020, followed by India clocking growth at 19.8% of steel consumption at 106.1 MT in 2021. The US is slated to consume about 86.5 MT of steel with a growth rate of 8.1%.

All other major steel producing countries have been projected to consume more steel in 2021. Japan with 56.0 MT, South Korea with 51.5 MT, Russia with 43.8 MT, Germany with 34.0 MT and Turkey with 35.0 MT are some of the top-ranking steel consuming countries. It is interesting to note that developed countries, where steel consumption was set to reach a near plateau level, would together demand 8.2% more steel in 2021, while emerging economies excluding China is likely to clock a growth of 10.2% in steel demand and South America and Africa would have a comparatively slower growth of 6.8%.

The traditional demand driving sector for steel continues to be construction, which with the help of real estate construction and infra stimulus that have been announced by almost all the countries to prop up their economies immediately after the pandemic, would play a stellar role in strengthening steel demand. The demand for logistic-related facilities to support e-commerce, along with green recovery programmes and infra renewals, would play their part.

The automobile sector that accounts for a much larger share in steel consumption in the US, the EU, Japan and South Korea (22-25% against 9% in India), is poised for a growth after sliding down in last three years. The Covid 19 pandemic has brought about a thrust on owning personal vehicles as opposed to public transport. Shortage of semiconductors may pose a risk in supply chain management. Passenger cars, light and medium commercial vehicles and tractors are selling at a high rate in India to reflect rising rural income and demand.

A number of mega government schemes in India like Jal Jiban Mission, PMAY-G & U, Bharatmala and Sagarmala provide good prospect for public investment, while projects like dedicated freight corridor, Metro railways, Ujala, port modernisation, new airports, renewable energy and irrigation projects would demand massive volume of steel that can be mostly supplied indigenously.

The Indian steel industry needs to enhance intensity in each of these segments by making available standard designs in steel that can be immediately implemented. The penchant for Atmanirbhar Bharat and renewable energy would lead to higher demand for indigenous manufacturing of steel contained engineering goods by replacing imports.

Steel exports by India reached a record level of 17.4 MT in FY21 (including 6.6 MT of semis) which exceeds last year's level by as high as 55.5%. Vietnam has received maximum Indian steel exports, followed by China (semis export), Italy, the UAE and Nepal. India has become a net exporter by a big margin as total steel imports at 5.04 MT is 29.6% lower compared to last year.

India has imported maximum from South Korea, China, Japan and Taiwan. Large volume of HRC imports from South Korea was undertaken to feed the Korean service sectors' demand.

These imports are expected to be replaced by domestic supply. Total imports valued at Rs 63,038.9 crore in FY21 was much lower compared to the export proceeds (all items inclusive) earned by the country at Rs 91,545.5 crore.

Segment-wise or Product wise Performance:

Currently your Company is engaged only in one type of product and involves one type of process and it is called Engineering Product, so there is no segment wise or product wise performance available.

Risk and Concerns:

The Companies engaged in production of stainless steel strips, tubes and pipes had faced major challenges due to slowdown in the growth of steel industry. The falling demand, low prices, cost escalation in inputs, reduction in import duty are some of the major threats to the sustainability of the Indian Steel Industry. Further reduction in import duty stimulated the import of steel from China and other countries manufacturers at low prices leading to decrease in demand of domestic goods.

Internal Control System and their Adequacy:

Your Company has adequate internal control systems commensurate with its size and operations, although not documented. The Company regularly gets its accounts audited from internal auditor.

Financial Performance with respect to Operational Performance:

The Company has produced 8141 MT of Cold Rolled Stainless Steel Strips and Stainless Steel Tubes & Pipes as compared to 10284 MT in the previous financial year while the Company has sold 8064 MT of Cold Rolled Stainless Steel Strips and Stainless Steel Tubes & Pipes as compared to 10210 MT in the previous financial year. The company has achieved turnover of Rs. 15280 Lacs as compared to previous year turnover of Rs. 17784 Lacs. During the year the company has achieved Profit after tax of Rs. 540 Lacs as compare to last year profit after tax of Rs. 391 Lacs . The reserve and surplus stood to Rs. 2692 Lacs. The earnings per share is Rs. 10.01 and book value of the share is Rs.59.85. The Board of Directors have proposed a dividend of Rs. 1/- per share (10%) for the financial year 2020-21.

Industrial Relations and Resource Management:

The Company during the previous year continued its record of good industrial relations with its employees. During the year various initiatives had been taken to improve the performance and productivity levels in various departments of the Company. The Company conducts training sessions on various topics ranging from safety, productivity, handling of hazardous products etc. that help to train employees to overcome operational constraints. The Company has its in house technical centre in the plant to train the new recruits before their placement that helps in optimum utilization of resources as well as maintaining quality standards. It also indulges into and implements various HR initiatives and activities including employee welfare, special rewards, performance review system and various employee motivation activities.

Cautionary Statement:

Management Discussion and Analysis Report may be “forward looking statement” within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied depending upon global and Indian demand-supply conditions, changes in government regulations, tax regimes, and economic developments within India and overseas.

INDEPENDENT AUDITOR'S REPORT

THE MEMBERS OF HISAR METAL INDUSTRIES LIMITED

Report on the Audit of the Financial Statement

Opinion

We have audited the accompanying financial statements of Hisar Metal Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of The Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the work during the year no such matter to be reported in this regard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based

on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report

expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
- (i) The Company does not have any pending litigations which would impact its financial position in its financial statements.
- (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Hisar Metal Industries Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **HISAR METAL INDUSTRIES LIMITED**(the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE ‘B’ TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Hisar Metal Industries Limited of even date)

1. In respect of the Company’s fixed assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
2. In respect of Inventory
 - a) The management has conducted the physical verification of inventory at reasonable intervals. In our opinion the frequency is reasonable as per the nature of the business.
 - b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c) The company is maintaining proper records of inventory and no material discrepancies were noticed on verification of physical stock with the books of account.
3. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company and hence not commented upon.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
6. We have broadly reviewed the cost records maintained by the company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central government under sub-section (1) of section 148 of the Companies Act, 2013, and are of the opinion that, prime facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
7. According to the information and explanations given to us, in respect of statutory dues :
 - a) The Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Goods and Service Tax, Sales tax,

Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2021 for a period of more than six months from the date on when they become payable.

- b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute.
8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.
9. In our opinion and according to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt (instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
10. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
11. Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
12. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
13. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
15. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Note: 2 Accounting Policies

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

- i) The standalone financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”), the provisions of the Companies Act, 2013 (“the Companies Act”), as applicable and guidelines issued by the Securities and Exchange Board of India (“SEBI”). The Ind AS are prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- ii) The Financial Statements are prepared on accrual basis under the historical cost convention, except for certain Fixed Assets which are carried at revalued amounts.
- iii) All amounts included in the financial statements are reported in millions of Indian rupees (‘in millions’) except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/ re-arranged, wherever necessary.

2.2 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian Accounting Standards requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the year. Accounting Estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes and estimates are made as Management become aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 PROPERTY, PLANT AND EQUIPMENT

i) Tangible assets

Property, Plant and Equipment are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. The cost of Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-Progress.

ii) Depreciation

Depreciation on Property, Plant and Equipment is provided on Straight Line Method (SLM). Depreciation

is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act , 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used. The residual value are not more than 5% of the original cost of the Asset. The Asset residual value, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

In respect of addition or extensions forming an integral part of existing assets and insurance spares, including incremental cost arising on account of translation of foreign currency liabilities for acquisition of Fixed Assets, depreciation is provided as aforesaid over the residual life of the respective assets.

iii) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

The amortisation of the intangible assets with a finite useful life reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortised intangible are reviewed and where appropriate are adjusted, annually.

iv) Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.4 INVESTMENTS

Property that are held for long term rental yields or for Capital Appreciation or both is classified as Investment Property. Investment Property is measured at its cost, including related transaction cost and where applicable borrowing costs. Current investments are carried at lower of cost or quoted/fair value. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

2.5 VALUATION OF INVENTORIES

Items of Inventories are measured at lower of cost or net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at the net realisable value. Cost of inventories comprises of all costs of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process chemicals, store and spares, packing materials, trading and other products are determined on the basis of valuation of the finished goods as per the provisions so applicable according to IND AS-2.

i) Raw Material, Components, stores and spares

Raw Material, Components, stores and spares are valued at cost, as per the provision of IND-AS-2.

ii) Work-in-Progress and Finished Goods

Work-in-Progress is valued at lower of cost and net realizable value. Cost include direct materials and labour and a proportion of manufacturing overhead based on normal operating capacity.

Net Realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

2.6 REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be readily measured, regardless of when the payment is being made. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates

and any taxes or duties collected on behalf of the government which are levied on sales such as Goods and Services Tax. Revenue is recognised either in time or point of time, when (or as) the Company satisfies performance obligations by transferring the goods or services to its customers.

i) Sale of Goods

Revenue from sale of coils and pipe is recognised at the point of dispatch of the finished goods to the customers against invoice. The company collects Goods & Service Tax on behalf of the government and therefore these are not economic benefits flowing to the companies, hence, they are excluded from the revenues.

ii) Export Benefits

Export Benefits constituting import duty benefits under Duty Draw Back are accounted for on accrual basis. The same is recognised in the books of accounts in the year in which the right to receive the duty draw back credit as per the terms of the scheme is established in respect of the export made.

iii) Dividends

Dividend Income is recognised when the right to receive payment is established.

iv) Interest Income

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

v) Insurance Claims

Claims receivable on account of insurance are accounted for on accrual basis

2.7 FOREIGN EXCHANGE TRANSACTION

Transactions denominated in foreign currencies are translated into functional currency using the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the year end are restated at year end rates. In the case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

Non-monetary foreign currency items are carried at cost.

In respect of integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Monetary assets and liabilities are restated at the year end rates.

Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss Statement, except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

2.8 BORROWING COSTS

Borrowing cost attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred. Borrowing Cost consist of Interest, Other Cost that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

2.9 EMPLOYEE BENEFITS

i) POST EMPLOYMENT BENEFITS

Defined Contribution Plan

A defined contribution plan is a post-employment benefit plan under which the Company pays specified

contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit and other Long term Benefit plan:

The liability in respect of defined benefit plan and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefits is expected to be derived from employees' services.

Actuarial gains and losses in respect of post-employment and other long term benefits are charged to the Statement of Profit and Loss.

ii) SHORT TERM EMPLOYEE BENEFITS

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services. These benefits include performance incentive and compensated absences.

2.10 TAXATION

Income Tax comprised of Current, Deferred Taxes and Mat Credit.

i) Current Income Tax

Current Income Tax for the current and prior periods are measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. The tax rates and tax laws used to compute the current tax amounts are those that are enacted or substantively enacted as at the reporting date and applicable for the period. While determining the tax provisions, the Company assesses whether each uncertain tax position is to be considered separately or together with one or more uncertain tax positions depending the nature and circumstances of each uncertain tax position. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

ii) Deferred Income Tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

iii) MAT Credit

MAT Credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal Income Tax during the specified period. In the year in which the MAT Credit becomes eligible to be recognised as an asset in accordance with the recommendation contained in Guidance Notes issued by the ICAI, the said asset is created by way of a credit to the statement of profit & loss and shown as MAT Credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

2.11 ACCOUNTING FOR DERIVATIVE INSTRUMENT

In respect of derivative contracts, premium paid, gains/losses on settlement and losses on restatement are recognised in the Profit and Loss Statement except in case where they relate to the acquisition or construction of Fixed Assets, in which case, adjusted to the carrying cost of such assets.

2.12 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised in the accounts, when there is a present obligation as a result of past event(s) and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate. Provisions are discounted to their present values, where the time value of money is material.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent Assets are neither recognised nor disclosed in the financial statements.

2.13 EARNING/ (LOSS) PER SHARE

Basic earnings/(Loss) per share are calculated by dividing the net profit/ (Loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events of bonus issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings/(Loss) per share, the net profit/(Loss) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.
